**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer of the Internet I want to be able to choose the provider that best serves my needs. I live in a small community and I want to hire a local and competitive provider.

Why change something that works well for the people who use the internet in small communities?

Please reconsider.

Thank you,

Maria Brooks
